Ministry*

Our Purpose Statement: We exist to glorify Jesus Christ by cultivating a loving family that leads its members to a life of heartfelt worship, deepening discipleship, caring ministry and personal evangelism.

MAKING BEAUTIFUL MEMORIES

The FBCUC ministers and staff consider marriage a sacred covenant between a husband and wife, and Jesus Christ. We believe that weddings performed at FBUC are a ministry opportunity and it is our desire that all newly married couples begin their marriage with a solid Christian foundation. Your Wedding Day is one of the most precious times in your life together! We consider it an honor and privilege to be part of the beginning of your unity and want to make certain that everything is done according to God's will, your desires, and within the facility guidelines. We want to ensure that your wedding day is a memorable and stress-free day for you both.

Wedding Assistant

The Wedding Assistant will work closely with you and the custodial staff, musicians and technical crew who may be involved with your wedding. You will receive a list of their services at your initial appointment. Contact our Wedding Assistant to set up your first meeting. She'll gladly help you with your packet and put your mind at ease as you begin planning your special day.

Approval Process

After filling out the initial packet, your request will be taken to the weekly church staff meeting the following Tuesday. Once approved the dates will be added to the official church calendar and you will receive a call to begin the planning process!

Pre-Marital Counseling

Is required when an FBCUC minister officiates your wedding. The Wedding Assistant will help you with your pre-marital counseling forms. Pre-marital counseling appointments must be finished before the wedding can take place.

Music

If you wish to use an instrumentalist from FBCUC, the Wedding Assistant will contact them. Another option is to provide your music on CD for our sound technicians to play. If you prefer another instrument, it will need to be brought in by your instrumentalist.

Technical Crew

The Technical Crew can help you with many different aspects of your wedding such as sound, lights and video on the overhead screens.

Rehearsals

Are only held on the Friday evening before the wedding. You will need the music for the rehearsal as well as the all the wedding party to be present.

Showers/Receptions

You can also request that your bridal shower and reception be added onto the calendar at the same time you request your wedding date. We have many different rooms to choose from in our church.

A refundable deposit of \$200 is due at the first meeting with the Wedding Assistant.
