

### *To go All In for...* **Loving in**

Our Church family has been investing in the surrounding communities since December 1963. We've grown from 86 charter members to 3 services reaching 1300 people weekly.

Since the inception of our Multi-Purpose and Grace Building campaigns, FBCUC has paid off 4.9M of our 7.8M expansion, and added 1.2M in new property acquisitions for Impact Church land. Our facilities provide 32 classrooms daily for preschoolers through 12th grade, training them in the Truth, so others can be reached with the Good News for years to come.

In addition, both buildings accommodate over 2,000 people on a weekly basis through Sunday School, various ministries and programs. See brochure for bulleted activities. We're grateful to witness the hand of God at work, spurring His people onward in fulfilling the Great Commission, (Matt 28:18-20).

### *To go All In for...* **Loving Out**

FBCUC is uniquely positioned to reach over 88,000 households within a 5-mile radius for Jesus Christ. Through our Grace Education Building and Multi-Purpose building, we've been able to offer thousands of people opportunities to experience the hope and love of Our Lord through events such as Fall Festival, Vacation Bible School, and Upward basketball and cheer programs.

On a global scale, we've prepared and provided 559,872 meals for Feed My Starving Children and traveled on Mission trips to Peru, India, Africa and Haiti. During the recent hurricane disasters in Texas, many teams went forth to multiple sites in the state to provide clean-up, rebuilding and supplies to needy families.

We've done church plants in Tacoma and Baltimore. Our newest endeavor for the Kingdom of God is purchasing the land for Impact Church.

### *To go All In for...* **Loving Up**

God has a vision for FBCUC which includes multiple avenues for reaching the lost for Christ, growing disciples of Jesus, setting the captives free, and healing the broken-hearted. In all we do and build, we lift up the cross as a beacon of hope and faith, knowing eternal destinies are only changed by Christ's work on the cross on our behalf. Although we can never repay the ransom He paid for us, we can pay forward what he has done for us to others. We built these facilities at His call to draw families and individuals near and far for His purposes.

As we begin a new three-year commitment above our regular tithes and offerings in paying the current debt, we call each person to pray. On April 29, 2018, we will bring our faith commitment cards and one-time gifts to the services. We ask you to respond to God's goodness and to prayerfully seek God's guidance in your commitment to FBCUC.

## *Dear Church Family,*

We're fast approaching the day when we'll have all our facilities and land paid in full, both for First Baptist and our church plant, Impact Church. The church has been in continuous financial campaigns since the late 1980's. We've stepped out in faith over and over to build the facilities needed to accommodate Kingdom work. Your faithfulness is to be celebrated.

It's now time again to make a three-year sacrificial commitment to pay for the facilities we need and enjoy. Currently, we owe 4 million on our facilities and the land we've purchased for Impact Church. At our current rate of giving, we should complete payment within the next six years. For every dollar, 75¢ will go to First Baptist and 25¢ will go to Impact. That will be a glorious day!

It goes without saying the "All In campaign for First and Impact" isn't merely about paying for facilities and land, but making Kingdom ministries happen. The many ministries listed in this brochure are only the tip of the iceberg. Through these facilities, people are being reached, hurts are being healed, and most importantly, eternal destinies are being redirected. Our solidarity of love for Jesus and commitment to His Great Commission and Great Commandment is the motivation for all we do.

Church family, I pray you'll give serious consideration to what you'll give over the next three years to move First and Impact forward. Without facilities, our ministry impact would be seriously hindered. I'm convinced one of the greatest contributions to the Kingdom I'll make in my lifetime is paying for the facilities where ministry will take place even when I am gone. Will you join me in sacrificing for the next three years, so Jesus might be increasingly glorified, Kingdom ministry can flourish, and future generations can be reached and discipled in Christ?

Love being your pastor,

## Impact Church Land 26 acres on 1518 in Schertz

Impact Church has been making an impact on the area near and around FM1518 in Schertz since the Launch team began meeting weekly on April 23, 2017. They started with 53 individuals and have grown to an average of 100 people weekly. Impact offered one worship service per month in June, July and August, and then went full steam ahead with weekly worship services beginning on September 24, 2017. The services are currently being held in the Rec Building of FBCUC at 10 a.m.

Even before any of the worship services took place, Pastor Jared, his wife Jessica, and the Launch team were providing ministries for birth to 5th grade. In January 2018, five(5) home small groups started, consisting of 50 adults. In addition, Youth Ministry began weekly meetings in January. 26 acres of land off FM1518 in Schertz has been purchased for the future Impact Church site.

God has already provided Carl Osborn as Worship Pastor, Lillie Carlton as Children's Pastor, Steve Smith as Impact Groups Pastor, and Zack Carlton as Student Pastor. To God be the glory for all He has done!

## Dear First Baptist Church Family,

I am so excited about what God is doing in the life of Impact Church. We have been able to see new families get connected, individuals come to know Jesus as their Savior, people stepping out wanting to be baptized, and a desire to further the Kingdom of God. We cannot thank you enough for all of your prayers, encouragement, and support.

We also want to say a big thank you for helping provide financially for the land on 1518. I believe that God is going to use Impact Church to make a tremendous difference in the community. Having a church building in the heart of that community is going to help bring His vision to life.

In His love,

*Jared Cash*  
Lead Pastor
