

First Baptist Church, Universal City Reopening Guidelines

Church Family and Friends,

We are excited to announce the reopening of services on campus May 31, 2020. Services will be held at 9:00 and 11:00 to allow time for cleaning between services. There will be no on-campus Sunday School or childcare. We highly encourage our “at-risk” members and friends to refrain from attending on-campus activities.

We realize that some of the guidelines may feel restrictive and cumbersome. However, we do this to show love and concern for each other.

Our facilities have been cleaned and prepared for social distancing. Hymnals, Bibles, pens and forms have been removed from the auditorium. Every other pew has been roped off to assist with social distancing. Hand sanitizer stations will be at every entry.

Guidelines:

1. We ask that every person maintain 6 feet of distance from all non-family members while on campus.
2. We discourage handshaking and hugging.
3. Masks are encouraged for the general congregation, but not required. We will have masks available at all entry points if you need one.
4. Doors will remain open to facilitate a minimal touch environment.
5. Greeters will not be shaking hands or handing out bulletins.
6. Coffee and other refreshments will not be served on campus at this time.
7. No offering plates will be passed during the services. There is a drop box at the Welcome Center and small boxes at every exit of the auditorium for your convenience.
8. We encourage you to practice social distancing inside the auditorium, foyer and parking lot.
