

Step 1: Our virtual class meeting will be hosted through “GoToMeeting.” Once you click on the Virtual Class graphic link you will encounter this page on your computer. You will need to click on “Join Meeting in Brower.”

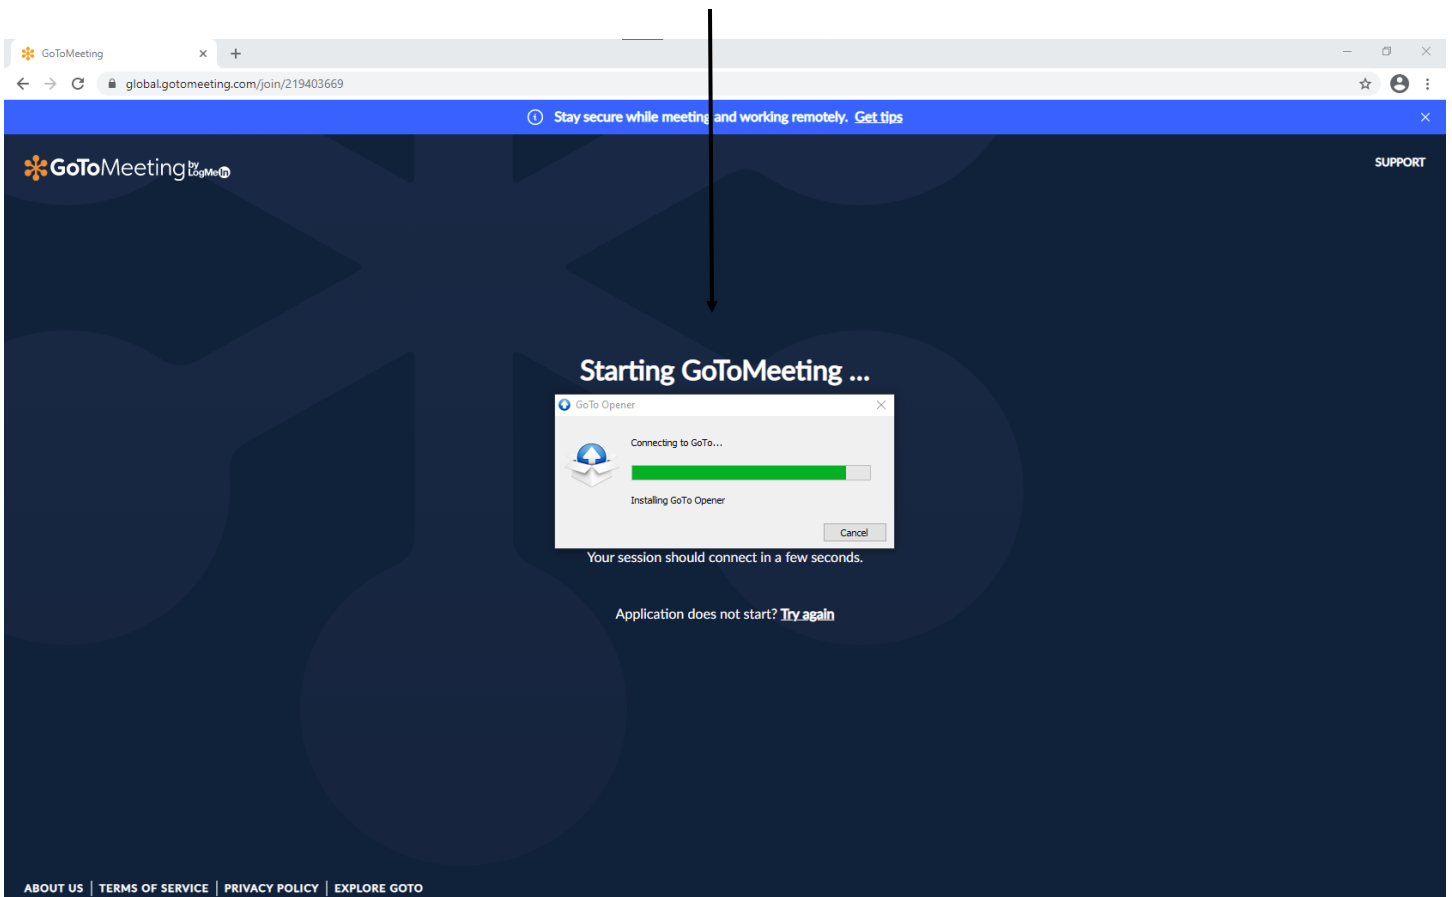

Step 2: You will be prompted to download the app from “GoToMeeting.” The app will provide the browser window needed to watch and interact with the class. Please click on the “Download the app” button.

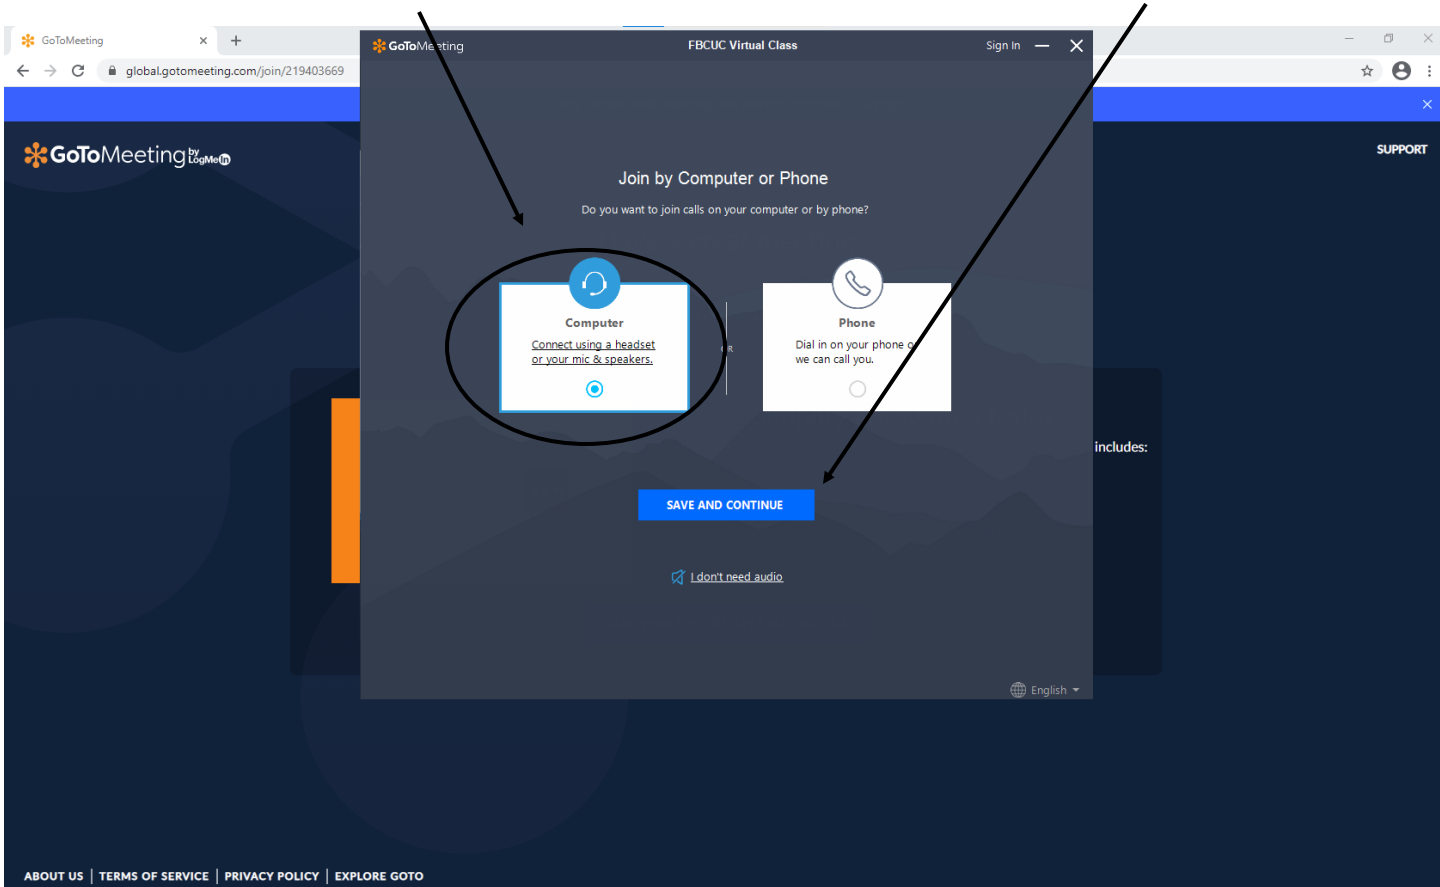

Step 3: Once you click on download the app button a "GoToMeeting Opener.exe" file will pop up. You will need to click on this file to begin the install. The install screen will look like the picture below. You will need to install this program for future meetings.

Step 4: Once the install is finish, you will be ask an audio question that allows you to communicate with the teacher or other class members. You have two choices: Computer or Phone. Once selected, click on the “save and continue” button.

Step 5: The last screen you will encounter will be the preview screen. You can type your name in screen box to identify yourself in the group. Next, click on the “Ok, I’m ready” button to proceed to the virtual classroom.
