

# WEEKLY CONNECT

## This Week's Highlights

November 23-27

- **Pastor David continues his sermon series "The Revelation of Jesus Christ" this Sunday at 9:30 and 11:00 am.** Having seen the vision of Jesus, walked through the letters to the churches and experienced the cacophony of praise and worship of the redeemed in heaven, the time has come. The opening of the seals sets in motion the Wrath of the Lamb. Yes, this is the wrath of Jesus. If you think what He did in the temple of Jerusalem was out of character, get ready to have your view of Jesus radically altered. This Sunday the study of the apocalypse begins. If you have not viewed this week's Pandemic Response Update please do so here: [PastorsUpdate](#). Let's tighten things up a bit. ~ Pastor David
