

# WEEKLY CONNECT

## This Week's Highlights April 28 – May 4, 2024

Greetings!

RAGE, Part 3 is coming this Sunday and I'm spitting mad. Come find out why. We also have Parent/Baby Dedication and a very significant 25-year recognition. It's going to be a great Sunday. Prepare your heart to worship and, remember, worship is not about getting something but giving to God the worship He is worthy of and, in return, finding our lives strengthened and renewed in the process.

Our annual Fun Run/Walk is fast approaching, and I can't wait to color you pink, red, blue, green, and orange. Come join us for a fun morning and bring a friend. This is a great way to introduce people to our church.

The Lord has blessed us with 28 baptisms so far this church year. That is eight more than all last year and we still have months to go. Thank Jesus for His ongoing work of saving people and leading them in the first step of discipleship.

Love you,

Pastor David
