This Week's Highlights January 28 – February 3, 2024

Greetings!

This Sunday we are back to Resurrection Theology 103. I am praying all of you will be a part of the first resurrection and not the second.

Sunday afternoon is our Legacy Free Will Seminar with Jerry Carlisle. It is not only important to steward our resources well in life, but also in death. Come learn the scriptural principles for a leaving a financial legacy. You can also complete all your end-of-life documents on the FreeWill website accessible through our church website and bring them to be notarized on Sunday at the seminar. We have had over 100 members complete all their documents using the FreeWill site.

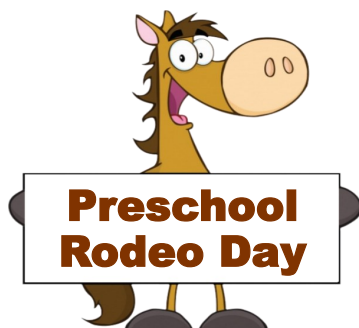

Men, this Saturday at 8:00 am we will eat and fellowship around the breakfast table. Bryan Silvia will lead us in worship, Jordan Cash will share from the Word, tacos will abound, and we even have some cool door prizes. It's going to be a great morning.

By the way, you gave over \$220,000 to the LAMB Offering for missions and even surpassed our general budget requirements for the year. God is good and so is First.

Love you deeply,

Pastor David
