

SPEST Update #2

April 16, 2024

Hello, Church Family,

The Search Team met last Sunday, April 14th and reviewed and ranked our first batch of resumes. We had 25 in all. Every resume was good which made the process even more challenging. At the end of the meeting, we agreed on three resumes that met our profile and criteria for our next pastor. We will put them off to the side for the moment as we continue to study and rank batch #2. This batch contains 32 resumes. We will begin the process of ranking them and the Search Team will meet again on May 15th to review our rankings. We will see where we are at that point.

Our number one request for the church is that you will continue to look at your blue dot and continue to pray for wisdom, discernment and God's will as we continue to search for our new Shepherd.

Blessings,

Mike Miller

Senior Pastor Elect Search Team Chairperson
